

Office Procedures

What to Expect on Your First Visit:

- 1) You will complete all of the necessary New Patient forms prior to meeting with the Doctor.
- 2) After completing your New Patient forms, you will have a complementary consultation with the doctor to discuss your history and current condition.
- 3) The doctor will perform a Chiropractic, Physical, Neurological, and Orthopedic examination.
- 4) In the event that the doctor determines you need X-rays, those will be requested or taken.
- 5) Depending on your condition, you may or may not receive a chiropractic adjustment on your first visit.
- 6) Payment is due at the time of service.

What to Expect on Your Second Visit:

- 1) You will meet with the doctor to discuss the results of the tests performed on your initial visit. The doctor will give you an official diagnosis and will be able to tell you if you are a candidate for chiropractic care. At this time, the doctor will also inform you of the approximate time frame and cost that it will take to make you well.
- 2) If the doctor determines that your condition will respond positively to chiropractic care, fees will be determined by our standard fee schedule.
